

-Kandiyohi County Platting- Preliminary Plat Required Submittals Checklist

The following information must be submitted with a preliminary plat application:

- 1. Proof of ownership.
- 2. Fifteen (15) copies of the preliminary plat, eight (8) at a minimum of 20 x 30 inch, and seven (7) at 11 x 17 inch. The preliminary plat shall include all necessary information required in Chapter 4, section 4-6 of the Kandiyohi County Subdivision Ordinance that is not covered under a subsequent requirement (*see supplemental handout*).
- 3. Wetland delineation report.
- 4. Preliminary road plans showing, at a minimum, alignment, profile, and representative cross sections.
- 5. Storm water management and erosion control plans (*see supplemental handout*).
- 6. Grading plans showing how the site will be graded and showing final contours into the existing contours.
- 7. Septic system site evaluation report (*see supplemental handout*).
- 8. Fee as established by the County Board.
- 9. Such other information as may be required by the Zoning Administrator, County Engineer, County Surveyor, or Planning Commission.
